CM10 – ACTIONS CAUSING DISREPUTE

## CM10 – ACTIONS CAUSING DISREPUTE

### Rationale

St Bede's College has a high profile in the Canterbury community and in the wider New Zealand society. This is built on gospel values and the acceptance and understanding of people's beliefs, rights and ethnicity.

The Board of Trustees and the Senior Management of the College are charged with ensuring that the actions of individual members of the College community are in keeping with these standards. This also includes those associated with the College such as parents, coaches and managers.

### Principles

1. Students and school employees who bring the College into disrepute or open the College up to ridicule, negative media attention or offend members of the public should be investigated and made responsible for their actions.
2. These actions may be associated with sports or cultural events and teams, side-line supporters, EOTC outings and visits, behaviour in public places where they are clearly identifiable as St Bede's College students or employees, on public transport or on social media or comments or visual images posted on the internet.

## SCHOOL PROCEDURE: ACTIONS CAUSING DISREPUTE

1. Allegations of actions that lead to complaints being made by members of the public, reports of these actions in the media or are observed happening, or are posted on line, should be directed to the Rector.
2. The Rector is charged with investigating the allegations. If the complaint involves the media, then the Public Relations policy takes effect.
3. The Rector will inform the Board of Trustees (BOT) Chairman of any investigation he believes will have serious implications for the good name of the College.
4. If the actions are deemed to have brought the College into disrepute the Rector will decide whether to apply sanctions within the College or send those involved to appear before the Board of Trustees (BOT).

### Sanctions may include:

- **For students:**

- Exclusion from school.
- Suspension or stand-down.
- Removal of privileges or awards (badges, pockets).
- Removal from sports teams or cultural events.
- Any other restrictions deemed appropriate by the Rector or the BOT.

- **For employees:**

- Those sanctions as outlined in the individual contracts of the employee.
